

Below is the schedule we will follow whenever there is a **2-HOUR DELAY** announced for Medina City Schools. There will be **no scheduled recesses**.

The 2-hour delay announcement **may be** followed by an announcement that St. Francis Xavier School is now closed for the day. This follow-up announcement may be required if after reassessment of travel and school building conditions there is an indication that the school should remain closed for the day. The decision to close the school after previously announcing a 2-hour delay will be announced as soon as possible.

MORNING PRESCHOOL CLASSES ARE CANCELED WHEN FOLLOWING THE 2-HOUR DELAY SCHEDULE.
